- The Welscher Law Firm, Associate, 2011-2013

Alex's practice focuses on litigation involving business and contract disputes, real estate (including landlord/tenant matters and construction claims), oil & gas disputes, and shareholder/partnership disputes. He has experience representing parties in litigation in state and federal courts.

Representative Experience

- Represented a Houston based geological services company in its \$10,000,000.00 sale to buyers located in Scotland.
- Represented a Mexican polymer supplier in the acquisition and development of a \$2,000,000.00 central hub for its American suppliers.

Business Litigation

- Representing parties in a wide range of business and commercial disputes, including shareholder/partner/member disputes, breach of contract, fiduciary duty litigation, and trade secrets and non-compete litigation.
- Providing advice and counsel to various businesses through pre-litigation investigations and evaluation of exposure to claims and potential liability.
- Providing advice and counsel to minority and majority shareholders related to document inspections, claims analysis, and derivative proceedings.
- Negotiation of business divorces through buy-outs.

Real Estate Litigation

- Representing owners, landlords, buyers, sellers, general contractors, and subcontractors in various claims and disputes.

Construction Litigation

- Representing builders, subcontractors, and property owners in contract disputes in almost every aspect of the construction business.
